

The CompTIA logo is displayed in white text on a red rectangular background. The background of the entire top section features a city skyline with tall buildings, partially obscured by a dark blue diagonal shape on the right and a green diagonal shape on the bottom left.

12th Annual CompTIA Global Trade Compliance Best Practices Conference

Save the Date!

September 18, 2018 | San Diego, CA

Hosted by: **Qualcomm**

Please join us for CompTIA's 12th Annual Global Trade Compliance Best Practices Conference. This all-day event traditionally attracts approximately 100 customs and export compliance professionals and has been rated best in class by attendees.

The program agenda will include panels of experts from leading technology companies discussing best practices in global trade compliance for relevant and timely topics, as well as round table discussion sessions. A social/networking gathering will follow the conference and provide an opportunity to meet with industry experts and colleagues in the trade compliance field.
